Dear Ms. Jacky

TYPE APPROVAL EXEMPTION – SCOOP DISTRIBUTION

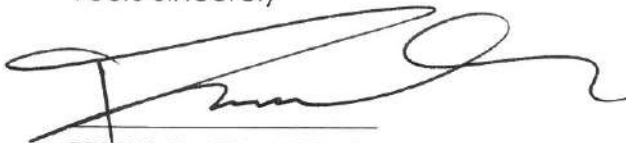

Kindly note that the Authority has reviewed the documentations describing equipment to be imported into Namibia by **SCOOP DISTRIBUTION** and hereby confirms that, equipment with model numbers: **NS-5AC** and **RB-METALAC** do not require type approval.

Furthermore, this letter serves only as an exemption for the consignment mentioned above and may not be used for other consignments without the consent of the Authority.

For the sake of trade facilitation, the Authority would like Customs to please allow the equipment to pass the border as they do not require Type Approval.

Should Customs & Excise have any queries please contact Kristof Itana at 061-222666 or kitana@cran.na

Yours Sincerely

FESTUS K. MBANDEKA
